

BDAT school improvement offer – summer term 2018

Below is BDAT's planned school improvement offer to our schools and non-BDAT schools in the summer term. As well as the 'usual' networks etc. We are running the following CPD events:

- Early Years' Network – Charlotte Ward Lewis will be establishing a network for staff in the Early Years to enable our schools to work more closely together over this aspect.**
- Pastoral Managers' Network – We are piloting a network for staff in school responsible for pastoral care and attendance. The focus of this first meeting will be to examine good practice with regards to improving attendance.**
- Attendance Data Champions meeting – an opportunity for the member of staff responsible for implementing GDPR in your school to work with our Finance Director, Donna Lewis in establishing your systems and procedures.**
